RTO Developments

Thrivability's scope for supervisors development training is already comprehensive and still expanding.

Currently scoped for Certificate IV in:

- Metalliferous Mining Operations (MNM05)
- Extractive Industries Operations (MNQ03)
- Training & Assessment (TAA04)
- Business [Frontline Management] (BSB01)

Cert IV's under development are:

- Occupational Health and Safety (from BSB01)
- Project Management (from BSB01)

Cover Story *New Storyboard Logos for TNL*

As part of our website development TNL have developed new logos. We have taken an innovative approach which is very flexible – we call it our storyboard logos. The logo set includes 4 standalone logos and 6 composite logos. The four stand alone logos represent:

- TNL Consultants Pty Ltd the legal entity (new logo)
- Pythagorisk[®] Services the risk consulting arm (the 3_4_5 triangle)
- Thrivability Training & Coaching the RTO arm (the archer)
- Human Thrivability our new human services arm (the handshake).

The logo that follows is our largest composite storyboard logo and includes all stand alone logos.
