## Cover Story Program Thrives - Third year in a row Graduating BHPB Iron Ore Mine Supervision.

The MINE SUPERVISION DEVELOPMENT PROGRAM is going well with high completion rates and retention rates (all of the people who graduated in 2007 are still with BHPB Iron Ore). The third recognition night took place in Newman on 4<sup>th</sup> December 2009.

**RECOGNISED:** As in previous years BHPB recognised learner achievement by providing replica mining equipment on a timber mount with a recognition plaque to graduates, see below. This year TNLC Thrivability also provided a convenient Qualification Record Card also shown below:

**THE STATS:** Over the first three years of the Mine Supervision Development Program the following qualifications have been awarded.

QUALIFICATIONS AWARDED	2007	2008	2009	TOTAL
Certificate IV in Metalliferous Mining Operations (Open Cut)	13	8	4	25
Diploma of Metalliferous Mining (Open cut and Underground)	4	5	7	16
Diploma of Management	0	5	7	12
