ISSUE # 22

24 DEC 2011

Hi to all friends and clients this is our 22nd newsletter and our 2nd for 2011.

All of us at Thrivability wish all friends and clients a relaxing and family focused festive season and a Safe and Satisfying New Year.

PUBLIC TRAINING EVENTS

30th Jan to 2nd Feb 2012. **Cert IV in Surface Extraction Operations** (Block 1) – Risk, Communications, Supervision and Leadership (Note this is also the popular Supervisors Skills Set).

20th Feb to 24th Feb 2012. **Dip of Surface Operations Management** (Block 1) – Compliance, Slopes, Environmental, Risk systems and Emergency preparedness.

February 2012. **DMP Exam Preparation Courses**. A number of training times are available both in Kalgoorlie and Perth. For full details see: www.tnlc.com.au/events

Cover Story

Highlights of 2011

TNLC Thrivability Training & Coaching assisted 35 people to get Nationally Accredited Cert IV SEO, Dip SOM and/or Dip MAN qualifications.

The Supervisors Skills Set was developed and implemented early in the year

1,212 Appointed Persons were trained and bring the total number to 3,769

A Generic s44 Appointed Person program was devised and delivered

TNLC Blasting Geomechanics run a successful International Blasting Geology Workshop in Melbourne (43 attendees)

Five technical blasting papers (one a Keynote address) were published and presented at two international conferences (New Zealand and Portugal) and at Explor 2011 in Melbourne.

Demand for Risk facilitation and Blast consulting work was strong.

Looking forward to 2012

We welcome our new mining specialist Dr Dincer Erer.

We are targeting 50 qualifications in 2012.

Cert IV SEO will be run three times, twice for the public and once in-house

Dip SOM will be run four times, three for the public and once in-house

Dip MAN will be run four times, three for the public and once in-house

We aim to take the total number of Appointed Persons trained to 5000.

We will be rationalising our training materials in the light of the new health and safety legislation that is in the pipeline.

Newsletter Picture—seasonal greetings
