SPECIALISTS IN THE RESOURCES SECTOR TRAINING

Cover Story Highlights of 2012

- No OHS incidents in 2012.
- TNL Thrivability Training & Coaching issued **75** Nationally Accredited Cert IV SEO, Dip SOM and/or Dip MAN qualifications.
- The Supervisors Skills Set and was implemented early in the year
- Over a 1000 Appointed Persons were trained in 2012 bringing the total number to 4,849.
- Dr D P Blair and Trevor Little attended the Fragblast 10 conference in New Delhi, India. One paper on airblast modelling was delivered by DPB and was well received. (More on this next newsletter)
- Demand for Risk Facilitation and Blast Consulting work was strong and we have developed two sister companies Pythagorisk Pty Ltd and Blasting Geomechanics Pty Ltd to follow up on these opportunities.

Looking forward to 2013

- We welcome our new WHS/ HR specialist Mr Ron Bates.
- Once again we are targeting 75 qualifications in 2013.
- Cert IV SEO will be run three times, twice for the public and once in-house.
- Dip SOM will be run four times, three for the public and once in-house.
- Dip MAN will be run four times, three for the public and once in-house.
- We aim to take the total number of Appointed Persons trained to 5800 in 2013.
- We will be rationalising our training materials in the light of the new health and safety legislation that is in the pipeline.
- We will be offering a two day Blasting Emission course at several locations around Australia for Shotfirers and Drill and Blast engineers.
- We will be offering the RIIRIS601A Establish the risk management system.
- We will seek scope for the Advanced Diploma in Work Health and Safety and the Advanced Diploma in Management in early 2013.
