Diploma of Work Health and Safety (Training and Assessment Pathway) [TBSIS4]

TNLC Thrivability Training and Coaching is pleased to offer the BSB51315 Diploma of Work Health and Safety.

Who should enrol?

This qualification is generally intended for WHS Practitioners for example WHS Officers, Advisors, Coordinators and Managers who have previously obtained their Cert IV WHS qualification. In the mining industry this qualification is also suited for key Work Health and Safety Committee members including Managers, Superintendents and Committee Chairpersons etc.

Outcomes:

On completion graduates will be able to use and maintain safety management systems, WHS tools and information systems, apply WHS risk management, manage hazards and apply occupational health principles, lead or participate in WHS investigations and manage effective consultative arrangements.

Qualification Outline

Course Code	Title	Delivery Method
BSBWHS502	Manage effective WHS consultation	Train and Assess
