BSB Training Package: Work Health and Safety – RPL Pathway [TOSIS2]

TNLC Thrivability Training and Coaching is pleased to offer recognition of prior learning services for three WHS qualifications. We have the capacity to work with potential candidates at the BSB41415 Certificate IV level (10 units), BSB51315 Diploma level (9 units) and BSB60615 Advanced Diploma level (8 Units).

Who should take advantage of this service? Candidates looking to have their skills recognised with a qualification would have already established specialist knowledge and skills in relation to WHS. This would include those people already working within the safety practitioner field or someone in a line position with significant responsibilities in WHS.
