Diploma of Surface Operations Management (Training & Assessment Pathway) [TRSIS2]

This course is our most popular program because of the face to face contact which allows learning from other attendees as well as from the Facilitator. This Diploma is also the minimum educational requirement to obtain a WA Quarry Managers Certificate of Competency. We are currently scoped for the latest 2015 release, coded RI50115. The following tabulation shows our offering: Block 1: five mining units, Block 2: five management units and Block 3: three mining units.
