Diploma of Leadership and Management – RPL Pathway [TOSIS3]

TNLC Thrivability Training and Coaching is pleased to offer a Recognition of Prior Learning (RPL) service for the BSB51915 Diploma of Leadership and Management. The diploma requires the completion of 12 units of competency.

Who could take advantage of this service?

Candidates looking to have their skills recognised with a qualification would have already established the specialist knowledge and skills in their chosen field. To recognise prior learning the candidate will need to, through their gathering of evidence be able to substantially demonstrate the performance and knowledge requirements of the qualification.

Course outline:

Flexibility:

Note it is possible to undertake different elective units for this program than those shown as long as packaging rules are complied with. The 4 core units, highlighted in bright yellow above must be undertaken.

Registered Training Organisation:

TNLC Thrivability Training & Coaching are a national recognised training organisation, provider #51358 and are able to issue "Statement of Attainment" and "Qualifications". Check www.training.gov.au for further information on packaging rules and our RTO scope.
